

Okla City, Okla
January 14, 1921.

Dear Mr Black:

Our conversation with Mr. Duffy is given in a brief way
by the enclosed.

Mr. Duffy talks freely but does not impress one as though
all he says can be relied upon as facts. He doesn't look to be over 70
years old at most. He talks as though he was guarding some secret but
without his story is corroborated by statements of others, I do not give
them very much credit.

Yours truly

T W Robison
