Dear Sir:

On February 21st and 22nd, you ran stories resulting from an interview with a woman who claims she is a niece of John Wilkes Booth. Most of this interview unfortunately was a rehash of the "Escape and Suicide of John Wilkes Booth" by F L Bates.

We have made a very careful investigation of the assassination and the disposition of Booth, which we are publishing in a series of articles in the Dearborn Independent. The first three are being sent you herewith; the others will follow as they are issued.

Very truly yours
