Dear Mr Smith:

Mr Black's initials are F L. At the present time he is in New York City where he is in charge of preparations for the opening of the Fair. Should you address a letter to him, it should be sent to the Ford Exposition, New York World's Fair, World's Fair, New York. I would advise against writing him, however, until after the Fair opens and is well under way. I am quite certain that Mr Black is so occupied with details in connection with the Fair that it is impossible for him to devote his attention to anything else. However, if you write him after May 15, I am sure he will be glad to respond.

Very truly yours,

E G Hagelthorn
