

El Reno Oklahoma July 23-1903

To Whom it may concern
I Be N. J. Austin and
J. F. Austin Proprietors of the
Austin Hotel situated in the
City of El Reno.

After examination of a
two type prints and photographs shown

we say that the same are true and
correct pictures of one O. C. George

that name; This man George boarded
at this Hotel for a long while
we know him well, and do
not hesitate to pronounce the
pictures shown us as those of
this man, and we fully
corroborate the statement of Murrel
Orman & Bonner as fully
as if incorporated in this statement

J. F. Austin
