Gentlemen: Attention Mr F L Black

Am in receipt of your favor of February 12th
with check for \$10.00, for which please accept my thanks.

I was under the impression I had some mail
and other memoranda pertaining to D. E. George in my
safety deposit box, but learn there is nothing there.
I will, however, seek further and if I locate anything
will be pleased to forward it to you with the understand-
ing that same shall be returned by you.

Very truly yours

Geo E. Smith.
