RE: ONTARIOR BANK IN LIQUIDATION.

Dear Sir:

Referring to your letter of the 9th inst., this Company was the Liquidator for the Ontario Bank, but the liquidation has been completed, and we have received our discharge. The matter was dealt with by our Toronto Branch, and we are not aware of the disposal which was made of the old books.

You do not state what use you intend to make of the copies of the accounts mentioned, or what information you seek to obtain from them, but if you will write us fully on these points, we will communicate with our Toronto Office, and ascertain if the information is procurable, and in the event of such proving to be the case, whether or not we would be justified in disclosing it.

Yours faithfully,

(Signed) R P Jewett

Assistant Manager.
