~~13995~~  
Avon, glad Avon, lovely queen,  
Thy place among the township band  
Of Oakland Counties twenty-five  
Is simply grand.

Thy triple streams with babbling strand *pe*  
In valleys banked with hillsides green,  
Give landscape pictures beautiful  
Where ever seen .

The Clinton with its wealth of power,  
And Paint Creek's charming little ways,  
With Stony Creek's blither rippling stream,  
All sing thy praise.
