" Smith's statement -
 He may be Booth, I don't
 know. A man of his experience
 could as well be Booth as
 any one else. I have known him
 a little over a year and
 a half & will say that he
 was an extensively traveled man
 and unusually well informed.
 He has had a past and
 has told me of having killed
 a man in Texas for which
 crime I think he had been
 acquitted. "
