Miss Viola M Berryman  
Room 102 Howarth Building  
Royal Oak Michigan

Dear Madam:

The articles dealing with the assassination of Lincoln are being mailed you under separate cover. Please accept these with the writer's compliments.

We will appreciate hearing from you again after you have read those, as we are quite anxious to know your reaction to the Bates' book, after going over the results of our research work.

Very truly yours

THE DEARBORN PUBLISHING COMPANY
