Good work Brothers, keep it up.

Our "Open House" on New Years Day was a grand success. All those who came seemed to enjoy themselves, and especially the dancers; and, Oh Boy! you should have seen them "dig in" when the "Minstrel Maids and Boys" joined in with the orchestra and rendered some of the "song hits" of our late minstrel show. We honestly think some of them would be going yet if the singers could have held out that long. Here's hoping that we all meet again next year.

OUR SICK BROTHERS

Will Graham has been laid up at home for the past week with rheumatism, but is out again.

Grant Cox was still very sick the last we heard of him, at Canon City.

Joseph W. Clarke and James Allingham were both confined to their beds recently, but are up and around again, we are glad to say.

New Year greeting cards were received from Brothers Ernest W. Owen and Howard (Ching) Morris, both of Chicago, also from Ed. C. Austin, city. Thanks for your thoughtfulness. We wish you the same.

VISITING BROTHERS

The following visiting brothers registered with us in December:

Hy. A. Grimm, Hot Springs Lodge No. 380.
F. F. Wagner, Wallingford Lodge No. 1365.
H. W. Clark, District Deputy Colorado West, Aspen Lodge No. 224.
Jerome Harrison Platt, Milwaukee Lodge No. 46.

Jenkin L. Davis, Exalted Ruler Central City Lodge No. 557.

W. J. Kelley, Idaho Springs Lodge No. 607.
J. W. Whalen, Idaho Springs Lodge No. 607.

We also had the pleasure of meeting one of our "old timers" on New Years day, in the persons of Brother A. E. (Tony) Heichemer, now of Denver. Tony was at one time the Exalted Ruler of this lodge and is a life member.

We owe our thanks to State Game Commissioner, Roland G. Parvin, and Senator Walter F. O'Brien for the ten head of Elk that were shipped in here last fall—now being kept at the Parson ranch until such time as it will be safe to turn them loose in the spring. It was through their efforts that this community was able to get them. We

look to all our brothers to do all in their power to protect them after they are turned out, and hope that they may thrive in this section. They will certainly prove an attraction in this neck of the woods.

We received a very interesting letter from Brother W. R. (Dutch) Thomas, now located in Constantinople, Turkey. He is a Captain in the American Red Cross; has been over seas for the past three years, seen much service in several European countries, more recently in Greece, and is now in Turkey. Seems to be pretty busy wrangling with Wrangle and the Russian refugees at that point.

We note with pleasure that Denver, La Junta and Grand Junction lodges are taking in large number of members. We will sure make that "million" mark set by the Grand Elated Ruler.

SCANDAL IN HIGH LIFE

Brothers, we hope you will pardon us for bringing this matter before you in this Leaflet and trust that we will not have occasion to again mention this matter, but there has been a rumor going the rounds of this city that is causing much uneasiness to many for fear that they might be looked upon with suspicion. The story goes that recently there was a highly respected young lady and two prominent men locked up in one of the local garages and compelled to stay there all night. We believe that the blame should be placed where it belongs and not permit suspicion to attach to other young girls who are entirely blameless, even though it is hard on the unfortunate ones.

We have been unable to find out who locked them in, so cannot place the blame, but we found the lady's name to be Lizzie Ford, and the two men were the Dodge Brothers.

Visiting brothers are always welcome, we hope that they will make our Home their Home while in our city. Lodge meets every Friday night.

We have received a number of letters from our brothers who are away from the city, expressing their approval of these little Bulletins, as giving them some news of the Lodge and what's going on in old 236. Thanks for the appreciation of our modest efforts in that line.

Fraternally yours,

W. G. HARRINGTON, Sec'y.
