Dear Sir:

I understand you have a corpse in your care by the name of Wilks Booth. If he is Wilks Booth, he is a relative of mine and I am anxious to know about him. Write me particulars and where he is from, all about him, and I will pay for your trouble, if a relative.

Bernard Booth

(Booth, Antanga Co, Alabama is a town of 70 (1910 census) about 30 miles NW of Montgomery on the Mobile & Ohio Ry.)
