Mr. Black,  
Deaborn Independent,  
Dearborn, Mich.

Dear Sir:-

About twenty years ago I was called to Dearborn by Mr. Finnis Bates on the John Wilkes Booth matter and at that time was presented with a book that Mr. Bates wrote, but it seems that some one borrowed it and did not return it and I would like very much to secure another copy of same. Could you tell me where I could get it?

At that time I was interviewed for your paper, and I am wondering if you remember the occasion or if I could secure a copy of the paper with the interview in it. There seems to be so much publicity going on now about this affair, and since I am directly connected with the same, I would like to hear from you regarding the same.

I am enclosing a stamped envelope for your reply and would appreciate very much your attention to same.

Yours very truly,

*Geo. E. Smith*
