Mr. F. L. Black,  
% The Dearborn Independent,  
Detroit, Michigan,

My dear Mr. Black,

I have read your article with much interest on the identification of Booth. I congratulate you on it.

In your investigations did you happen to learn the religion of Booth. I understood that he was an episcopalian and that Mrs. Suratt was a Roman Catholic. Can you give me any information on this point?

Very sincerely

*Leon F. Whitney*
