My dear Mr. Black:

I think you will have no difficulty in finding in Detroit the magazine *Startling Detective Adventures*, and in the issue for April, 1932 you will find a report of one of the physicians who examined the mummy.

If this does not seem to answer all of your questions I believe we can find contacts for you in Chicago, which will give you even fuller information.

If you plan a trip to Fort Wayne I hope you may find it convenient to come when I am here. I am leaving, however, for a Lincoln pilgrimage on June 17 and will not be back in my office again until July 12.

In a recent magazine I have observed a citation by Judge Wilkerson that he is still working on his book and hopes to get it from the press very soon.

We have quite a bit of material on the assassination and some of it may possibly be new to you.

Very truly yours,

Louis A. Warren
