JUN 11 1926

Dear sir -

No doubt - you will be surprised to hear from me after so long - I so often thought of you and Attorney Bates story and wondered how it all came out. Now I am thinking perhaps the experience I have had on the stage and as Supt. of the Eastern Star & Masonic Home, and the past five months as house keeper at the above hotel. (The last named would certainly be laughable in pictures)

I really believe the story would go well in the movies and money for us both and I know of no one I would sooner share with than your self, that is, if you think favorable of it well Mr Black, I am all alone in the world now, my dear husband died very suddenly Aug. 8<sup>th</sup>, 1925 of heart disease I carried the body to Memphis Tenn, I miss him more than words can express so feel very sad and lonely -

I am planning to leave here June 16<sup>th</sup> that is if they get some one to fill the place I have given them 6 weeks notice

Memphis for a visit, then  
back to Chicago -

would be pleased to  
hear what you think of the  
story idea, to be plain I  
have no finance to do like  
Mr Bates did. so please

With best-wishes I am
