Dear Mrs Mahoney:

With reference to your letter of June 20th, I shall be very glad to help you in any way I can. Unfortunately, I haven't photographs of the mummy, which as you probably know is not John Wilkes Booth. I think probably I can dig out a series of articles I wrote several years ago on the subject and send them to you. These may give you some idea as to what I can do for you further.

Very truly yours
